## Product Description

The Ezviz H8C Pro delivers 1080p FHD resolution and 360° panoramic coverage for maximum security. With Color Night Vision, it captures clear footage day or night. Featuring AI powered Human Detection, Active Defense with siren and strobe light, and two-way talk, it ensures both safety and convenience. The camera's H.265 compression technology and 512GB storage make it efficient and reliable. Weatherproof and built for outdoor use, it's a perfect choice for monitoring your home or business.
